ADJUSTMENTS

ATV discussion: Ron read parts of his newsletter on ATV information. He stated that there is now 500 yds. between trail and town roads instead of the 300 yds. in previous years. The Town can establish right of way on the Town roads. All rules and regulations are to be approved by the Town. The Board will have Sophie and Todd discuss the information with streets and signage and will be put on the agenda for the next meeting.

Kathy asked the Board Members if any of them had a letter from the Town of Milo on the EPIP. Dennis will call Lee to see if anything has been sent to him yet.

A question on what is being done at the old Charlie MacDonald house on Henderson Street. Also, to see what is being done to clean up the mess from the old building on Main Street and to look into the trailer across the road from the treatment plant.

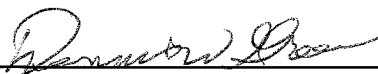

Schedule Net Regular Meeting: A motion was made to schedule the next regular meeting of the Board of Selectmen on Thursday, April 13 at 6:30pm at the conference room at the Town Office.
